Disability & Assistive Technology Center: Disability Services

-Our Mission-

The Disability Services Mission is to ensure that qualified students with disabilities are provided equal access and accommodations appropriate to their disability in all UWSP programs and academic pursuits.

Inherent in the mission statement is the commitment to abide not only to the letter but the spirit of the law; Section 504 of the Rehabilitation Act-1973, the Americans with Disabilities Act-1990, and more recently the ADAAA (amendment) of 2008.

Disability & Assistive Technology Center

What we need to qualify students for services?

We need from the student:

- To have a diagnosed disability
- To provide documentation of their disability
- To have an intake meeting with the director or advisor of Disability Services

(That's it, there is no official application)

Disability & Assistive Technology Center: Disability Services

What do we provide?

Depending on one's disability, diagnosis, and documentation, we can provide:

- Exam accommodations
- Proctors, scribes and readers
- Volunteer note-takers & self-duplicating paper; recorded lectures
- Enlarged copies for low vision needs
- Reasonable classroom modifications
- Preferential seating
- Notification to faculty/staff regarding necessary accommodations
- Sign-language interpreter service for the deaf and hard of hearing
- Assistive Technology text-to-voice and voice-to-text services
- Referral to appropriate campus support services, such as tutoring, writing and counseling
- Referral for time management and study strategies assistance and training

Requests for faculty: Please

- * Read emails from DAT Center: Disability Services regarding test accommodation request ... and respond;
- * Send exams to DAT Center in advance of exam time (preferably day before if possible);
- * Send exams either via email; request pickup by our office staff; drop off in person or mail slot after hours;
- * Please do not assume that we can set up a make-up exam in a day or two....we do need 5 working days;
- * Be patient with our staff as they process many accommodation requests and communicate with many ;
- * Do not single out a student using test accommodations in class. -Thank you-

How does Assistive Technology Accommodate?

Our main goal is to obtain digital copies of all textbooks used on campus:

- E-files from the publishers, BookShare.org, Learning Ally, ebook downloads
- Scanning the books (with permission from the publisher) and classroom print materials
- Our next goal is to provide assistive technology equipment, programs and training to students/faculty:
- Distraction-free AT lab, technology-equipped testing rooms and soundproof dictation room

Programs available on DATC lab computers:

- Premier Literacy Suite text-to-voice reader
 (Again, this program is available on "ALL" campus load PC computers!)
- Kurzweil 3000 text-to-voice reader, (lab only)
- Zoomtext with Magnifier Reader, (lab only)
- Da Vinci caption, magnifier reader
- Dragon Naturally Speaking voice-to-text, a dictation program, is available on one computer on the 3rd floor and the DS testing room computers.

Portable equipment available includes:

DATC Web sites:

- The Assistive Technology web site has information about the program, as well as, "Tip of the Week" learning video's on our <u>AT YouTube channel.</u>
