

WATERSHED SCIENCE – AS DEGREE
 Transfer Guide
 Vermillion Community College -
 University of Wisconsin – Stevens Point

The following guide lists the required courses for the Watershed Science AS Degree and the equivalent courses at UW – Stevens Point. Below are estimates of credits remaining for various majors (Bachelor of Science degree) at UW-Stevens Point (total number depends on elective credits, general degree requirements & math placement).

- Watershed Resources @ 62 credits plus summer camp
- Watershed Management @ 83 credits plus summer camp
- Soil and Land Management @ 77 credits plus summer camp
- Waste Management @ 80 credits plus 2 credits summer camp
- General Resource Mgmt @ 60 credits plus summer camp+

FALL SEMESTER
