Welcome to a new school year! It's exciting to have the students back on the UW-Stevens Point campus again after the long summer break.

Thank you for your interest in UW-Stevens Point and the new freshman scholarships we offer. Attached to this document you will find the list of the UWSP merit-based new freshmen scholarships for Fall 2010.

After much thought and deliberation, we have decided to change the process of selecting recipients of the scholarships listed on the attached form. In years past, we required students to complete and submit a New Freshman Scholarship Application. Beginning with Fall 2009 applicants, we will no longer require students to submit a scholarship application (except in the case of the Gordon M. Haferbecker Scholarship, which will still require a separate application). Instead, we will identify the students who meet the criteria listed on the attached scholarship list and select Fall 2010 scholarship recipients based on the admission application materials we receive from UWSP applicants. We feel this will save time for you as students.

Changing this process is meant to lighten your load as students and to lessen the stress and anxiety that you face as you come to the end of your high school careers.

If you have any questions regarding the above changes, please be sure to contact me directly.

Thank you and best wishes for a good year!
