

Canteen Aide

Reports to: Blood Drive Coordinator or Equivalent

Overview of Position: Assist donors in getting food, provide evaluation forms, and keep a watchful eye over donors.

Specific Tasks:

1. Receive donors from donor aide.
2. Offer food to donors; donors are to get their own food, but inform them what food is available.
3. Provide evaluation forms to donors and collect when donors are finished.
4. Keep a watchful eye over donors; watch for individuals who look ill, weak, or disoriented (this is a reaction).
5. If a reaction occurs, find a nurse immediately to appropriately assist the donor.

Skills Needed: You will need to be outgoing, polite and attentive.

Experience: None needed.

Benefits: Please feel free to help yourself to the food provided, however, we ask that you wait to eat until after your shift is over.
