About the Program

This workshop is presented by the
University of Wisconsin-Extension Center
for Land Use Education and the Langlade
County Land Records and Regulations
Department.

The workshop is designed for new and
continuing plan commission members,
local government officials, planning and
zoning staff, and other interested persons.

The workshop will focus on the roles and
responsibilities of the plan commission and
procedural requirements. County staff will
provide an update on shoreland zoning
and farmland preservation.
