About the Program

The workshop will focus on the roles and responsibilities of the plan commission and procedural standards that apply to their decisions. This workshop is presented by the Center for Land Use Education (CLUE). CLUE is a collaboration between the University of Wisconsin-Stevens Point and the University of Wisconsin-Extension. CLUE creates learning opportunities to help local government officials and communities make sound land use decisions.

Topics of Interest: Please send suggestions for topics that you would like to see covered at the workshop to rebecca.roberts@uwsp.edu.
