

Thank You

**for considering a contribution to the
College of Natural Resources.**

**Your gift provides a "margin of excellence"
to help us build a world class natural resources program
for a sustainable future.**

Gifts to the College help to build the **CNR Endowment Fund**, a permanent pool of money that generates spendable interest to support areas of greatest need within the College. This includes support for valuable student activities and events such as:

- CNR Student Research Symposium
- Funds for registration, travel and related expenses for students and faculty to attend state and national conferences
- Supplemental support to address critical needs for equipment and supplies in our labs and at our three field facilities (Treehaven, Central Wisconsin Environmental Station and Schmeckle Reserve).

Please complete the pledge form below, indicating the amount you are enclosing. (To give with a credit card, see our on-line giving form at: <http://www.uwsp.edu/foundation/givingform.shtm>)

Send to: UWSP College of Natural Resources
c/o Development Coordinator
800 Reserve Street
Stevens Point, WI 54481
