

Forestry Education in the Wisconsin K-12 Classroom Workshop November 6 and 7, 2009

Eager to teach your students the critical thinking skills they need using a topic that relates to the world right outside their door?

If you are interested in helping K-12 students understand the incredible value of Wisconsin's forests – both urban and rural - LEAF's classroom-based workshop offers you this opportunity! Our workshop teaches you key principles, activities and techniques to easily integrate forestry education into your classroom.

As a participant, you will receive a grade-specific unit of our highly-regarded LEAF Wisconsin K-12 Forestry Lesson guide and additional forestry-related education materials.

Location	Platteville Middle School Platteville, WI
Dates & Times	Fri, November 6 - 4:30 PM to 8:30 PM Sat, November 7 - 8:00 AM to 4:30 PM
Instructor(s)	Sally Ellingboe
Materials Fee	\$25

Registration Deadline: October 30, 2009

Limited Scholarships for Graduate Credit Available!

You may take this workshop for 1 graduate credit as NRES 740. An additional assignment including teaching a LEAF lesson and creating a strategic plan for implementing LEAF lessons in your classroom is REQUIRED.

The first eight people to register for credit will receive the scholarship toward the cost of the credit. To qualify you MUST indicate your intention to earn credit on the attached registration form. You will then be contacted to submit an additional "for-credit" registration and make the \$125 payment. The cost of the graduate credit without the scholarship is \$372.55.
