

Good Afternoon... The Northern Great Lakes Visitor Center Director's position has been posted in www.usajobs.gov today. The vacancy announcements are listed below. One announcement is open to only government status individuals. The other announcement is open to any U.S. citizen.

This is a very rewarding and challenging position leading and managing a multi-agency Visitor Center and educational facility in northern Wisconsin on the shores of Lake Superior just west of Ashland, Wisconsin. This 37,000 square foot Center is operated through a long standing, innovative partnership with the U.S. Forest Service, National Park Service, U.S. Fish and Wildlife Service, Wisconsin Historical Society, University of Wisconsin – Extension, and the Friends of the Center and serves over 125,000 visitors a year. More detailed information about the Center and the position is listed in the announcements. If you want even more detailed information about the Center, its programs and services, and partners, check out the Center's website at www.nglvc.org

Please give these announcements wide distribution through your personal and professional networks. If you have questions regarding this position, please contact Steve Hoecker at 715-685-2642 or shoecker@centurytel.net.

Attached are the links to the Government and DEMO vacancy announcements for the Program Manager (Visitor Center Director), GS-0301-12 position at the Northern Great Lakes Visitor Center. Both vacancies are open from September 10 - October 9, 2009.
