BIO: Charles “Corky” McReynolds, PhD, is Associate Professor of Human Dimensions of Natural Resources, CNR, UWSP, and Director of Treehaven. Corky develops and teaches undergraduate and graduate courses in strategic planning, nature center management, and leadership. He has facilitated and trained facilitators for strategic planning processes at nature centers, state agencies and national organizations. Corky’s research, teaching and consulting focuses on leadership and enhancing organizational change through effective individual and group processes. His workshops are known for high activity, involvement and fun. In 2004 Corky received the profession’s highest honor, the National Leadership award from the Association of Nature Center Administrators.
