

Put this on your calendar!!

***Our campus will be hosting
the***

**American Multicultural Student Leadership
Conference
(AMSLC)**

***October 16-18,
2009***

AMSLC is the most popular student conference for UW multicultural students and it's free for you! It brings together students from all the UW schools.

The conference is a great way to meet people from other campuses, present your original work in a professional setting and become educated on relevant issues. The weekend consists of professional presentations, workshops, break-out sessions and social events.

We will need many volunteers next semester to make this event a success. Contact Laurie: lgrabosk@uwsp.edu now if you want to volunteer.

Any questions just ask Laurie in the Multicultural Resource Center, 346-4737
