## WHY CAMP?

### **The people you meet:**

At summer camp you meet some of the best friends you will ever have!

### **The skills you learn:**

Camp provides a space for staff to grow, learn, and develop leadership skills in a uniquely supportive environment.

### **The positive impact on kids:**

Be able to help campers by growing their confidence, their faith, and allowing them to believe in themselves.

### **Getting to know myself:**

Learning more about yourself, who you are, who you want to be, what you are interested in and what your values are. Gaining confidence in an environment that allows you to be who you are, with no pressure and no questions asked.

### **The memories:**

You will remember funny quotes, make new friends, and won't stop talking about camp! Embrace your inner child!

**We hope we have been able to convince you how great summer camp is! We promise you won't regret the decision to go to summer camp and our hope is that you will come out of the experience as a better person with amazing memories and new friends. Get your adventure started today!**
