

WIC Community Health Nutritionist

Senior Community Health Worker
Hennepin County, Minnesota

Share your nutritional knowledge with others!

A career at Hennepin County means you will provide direct services that impact and enhance our community. These positions will provide nutrition education, supplemental foods, and referrals to other community agencies to clients in the Women, Infants and Children (WIC) program.

Candidates who are bilingual in English and Hmong, Somali, Spanish and/or Vietnamese are encouraged to apply.

Positions require:

- Associate degree or higher in Nutrition, Dietetics or closely related (4 yr preferred)
- Ability to work effectively and communicate with individuals from a variety of cultural and lifestyle backgrounds
- Working knowledge of nutrients and nutrition needs for infants, children, pregnant and breastfeeding women
- Computer skills to access and input data
- Ability to work 10:30 am to 7:00 pm four to six scheduled evenings per month

Enjoy the opportunity to work on a team with other dedicated professionals. Hennepin County was listed in *Minnesota Magazine* as 1 of 48 "Great Places to Work". (January 2009)

To find the position that is best for you, including the one listed here, apply on-line by 5 p.m. October 21, 2009 at: www.hennepin.jobs

Strong careers. Strong communities.
