Remember:
Avoid library fines
and holds and
return your
library books!

Good luck with finals!

Have a safe winter break and we'll see you in Spring!

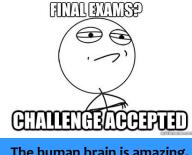

5 Reasons why Winter Break is a great time for reading!

Pick a book from the library's "gift" display and be surprised by what you end up with. It might be something totally new to you!

- No classes! Keep your mind busy with a fun read.
- Cold nights, warm drinks, and a good book is a great way to spend the long winter hours.
- If it's too cold to go outside— you can go anywhere inside a book.
- Reading is a great way to escape and take a break from all the holiday drama!

The human brain is amazing. It functions 24/7 from the time we were born and only stops when we take tests.
