Remember...

**Avoid library fines and holds and
return your library books
before you leave for the semester!**

**Register for Spring Classes! See
an advisor if you have any
questions about this process.**

Ballroom Dance Event

Friday, December 9, 7 pm
James F. Veninga Theater

What better way to de-stress at the end of the
semester than by dancing? Students from the
Ballroom Dance class will show off their new skills
and also teach a few steps to audience members!
Refreshments to follow.

Admission is **FREE** to UWMC students
All others are \$3.

Writing Center Workshops

***Revision workshop on Thurs., Dec. 8
@ 12:15-1:15 in room 255 (library classroom)**

Does that first draft look like it might be the last?
Not so fast! Learn how to revise with the staff of
the writing center! Bring the papers you want to
revise and we'll help you get started! You'll never
hear your teacher say you revised too much...

**Check
this
out!**

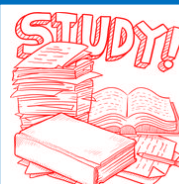

***Study Day Revision Lounge
on Thurs., Dec. 15!
This event will be held all day in
the Wausau Homes Learning
Center (in the library)**

If you have late paper due dates, or just want to
study with the cool kids, join us in the Learning
Center. There will be no programming, but Andy
and the tutors will be available to help you with
revisions and answer questions. Stay all day if
you want, but don't forget to bring snacks!

Snow Worries!

Take some time to relax and destress by stopping
by the library to cut out a paper snowflake.

We will supply the paper out of old book
pages and the scissors. We will then use the
snowflakes made by students to decorate
the library's desks.

Good luck with finals!

Have a safe winter break and
we'll see you in Spring!

Restroom Readers can be accessed electronically online through the UWMC Library's homepage.
