- You must apply for acceptance to the university through the University Admissions Office at 715-346-2441 or admiss@uwsp.edu.
- Your audition will make you eligible for scholarship consideration. Qualifying dates are listed on the audition application form. Department of Music scholarships are usually restricted to music majors; however, occasionally exceptions are made.

- Piano training is required of all music majors and minors. After your audition you will meet with the piano faculty to determine placement-with the exception of those auditioning on piano. Those without a piano background will be placed in beginning class piano. For those with piano ability, please be prepared to 1) perform a short prepared piece, 2) sight-read and 3) play major scales.
- Auditioning students should be prepared to demonstrate the technical skills applicable to their area of performance. Please see the Audition Requirements listing for details.
