

Respect is Expected

Logo Contest

We need your help!

Residential Living is launching a campus-wide campaign entitled “Respect is Expected” and is seeking a logo design.

The selected design will be used as a symbol of respect on campus, encouraging pro-active, intentional choices by students, staff, and community members.

We want to start a movement that encourages students to demand respect and hold each other accountable!

Requirements:

- Logo must be simple and direct
- Logo must lend itself to use in a variety of venues (print, Web, use on apparel, etc.)
- Designs must be submitted in an electronic format (.jpg)
- All design submissions will become the property of UWSP Residential Living

Submissions should be sent to Mary Duckworth, Residential Living (Mary.Duckworth@uwsp.edu) by 4 p.m. on Friday, February 24.
