We also plan to highlight alumni who have been especially successful in their careers. In order to make these initiatives happen, we need your help.

Because our photo library is much smaller from the days before digital photography, we're especially seeking pictures from 2001 or earlier. If you would like us to consider you for a career-focused alumni spotlight on our website, please send us a current photo of yourself. Professional or professional-looking photos are encouraged.

To submit, send digital photos to intlprog@uwsp.edu. Digital photos should be at least 1200 x 1600 pixels in size, or approximately 500 KB. You may also send physical copies of your photos to the following address. Hardcopy photos will not be returned.
