- Please get your paperwork turned in A.S.A.P. Everybody needs to fill out a new Member Information form, W-9, DNR Physical Requirements Acknowledgement form, and UWSP Fire Crew Responsibility, Release, and Participation waiver; (all together, that's four pieces of paper that need to be turned in). Please include photocopies of any certifications you currently hold. Nobody will be doing any fire related work with the crew unless these forms are turned in and we have some proof of your certifications. You may direct any questions to P.J. (pkoeh539@uwsp.edu). Additional forms will be available in the Fire Crew office (CNR 361A).

- Anybody who is interested and qualified to help supervise at Pulpcut should contact Zach (zhart993@uwsp.edu). Your help would be greatly appreciated. To qualify, you must have either taken/passed Pulpcut, completed FISTA I & II, or be S-212 certified.
- Gear check-out procedures will begin after next week's crew meeting on Thursday the 20th in CNR 361 behind the Fire Crew office. We will be implementing a new check-out procedure this year. All gear is currently clean, and it will be clean upon return.
