Attendance: 49
Fire Danger: Low

Important Announcements & Upcoming Events

- Foresters vs. Wildlifers broomball next week! Thursday, 10pm to Midnight at the Willet.
- Sign up for fire certification courses in the office; space is limited. (see Crew Leader section)
- Fire Crew public folder is now available to post pictures. (see Secretary section)

Guest Speaker: Wanda Wildenberg

- Missoula Smokejumper, Wanda Wildenberg spoke to the Crew tonight about the hiring process for federal fire jobs and answered questions for those members interested in such jobs. Wanda also gave several tips regarding resumes, and logging personal fire experience.

Crew Leader: Brian Puckett

bpuck349@uwsp.edu

- Sign-up for S-212, S-215, and S-131 is available in the office; seats are filling up fast, so interested members should not hesitate to sign up. All of these courses cost \$5.00.

Assistant Crew Leader: Jordan Black

jblac208@uwsp.edu

- To those of you concerned about Jordan inking over lucky fins, please excuse him; he didn't mean to send that email out to the whole Crew. Jordan is still learning how to use computers, email, and other technological advances that don't yet exist in Georgia. Please bear with him while he fights his way through such feats as email and appropriate email addresses.

Secretary: P. J. Koehler

pkoeh539@uwsp.edu

- P. J. has gotten a public folder for the Fire Crew set up so that any member from our organization can post pictures from various fires and other Crew events. P. J. has the public folder set-up to allow people to add ONLY. Therefore, if anybody posts anything inappropriate, the post can only be removed by an officer, and it does have the name of the person who posted the item. Therefore, any inappropriate postings will be found and dealt with accordingly. Also, these postings are viewable to anyone with a UWSP network account; please be responsible. Any questions can be directed at P. J.

Cache Manager: Zach Hartshorn

zhart993@uwsp.edu

- Smith/Bushnell, Chaco, and Smartwool pro-deals are all going to be done on an individual basis for now on. Questions regarding these deals can be answered by Zach.

Treasurer: Joshua Haen

jhaen466@uwsp.edu

- Payment for any of the three courses we will be offering will be collected by Josh; again, that is \$5.00 per course.
- Anybody who has ordered shirts and has not picked them up yet, please do so now!

S.A.P. Representative: Michelle Stelzig

mstel808@uwsp.edu

- Next week's broomball games will be at 21:00 and 21:45; those people who have not signed up can still earn involvement points by coming out to watch/cheer.
- Anyone interested in seeing how many involvement points they have earned to date can check with Michelle. Currently there are two members tied for first place: Adam Tlachac and Sarah Johnson (coincidence?), but several others are not far behind.
- If anyone is interested in Block III intramurals, let Michelle know which sports you'd like to do and we'll get some teams formed if there is enough interest.
- There will be BBQ/grill out tonight at Iverson, where numerous members from SAF and Fire Crew will likely be in attendance, and everyone is welcome to come. Bring your own meat, and we'll supply the buns, chips, and soda.
- Foresters vs. Wildlifers broomball game is next week! Bri Winter is a loser for playing on the wrong team, so let's not be nice to her at all anymore.

Crew Advisor: James Cook

jcook@uwsp.edu

- Nothing this week.

WDNR Liaison: Brad Kildow

brad.kildow@wisconsin.gov

- Fire season isn't necessarily over yet; keep your fingers crossed.
