

U.W.S.P. Fire Crew

Meeting Minutes

October 11, 2007

Attendance: 56
Fire Danger: Low

Important Announcements

- Any newly-added members to Fire Crew mailing list who did not receive the emails regarding Fire Crew t-shirts, fleeces, etc. or the Bendalin Fire Supply pro-deal order should contact P. J. if they are interested in this information.

Upcoming Events

- Two controlled burns tomorrow (see Assistant Crew Leader section below).
- October 18 – Rock-n-Bowl; 9pm to midnight.

Crew Leader: Brian Puckett

bpuck349@uwsp.edu

- The Fire Crew website is up and running. Please check it out at www.uwsp.edu/stuorg/fire. We encourage and appreciate your input.
- If you have certifications, please get them turned in. We currently have only 36 members who are allowed participate in any sort of burning with the crew.
- Pay attention to your email accounts. Fire season is near and we won't always be able to announce burns at the meetings due to limited burn windows.

Assistant Crew Leader: Jordan Black

jblac208@uwsp.edu

- We will be conducting two controlled burns tomorrow (just kidding). We do, however, have several burns ready to go as soon as we get the weather conditions we need.
- Anybody who is interested in tagging along with/assisting Jordan to scout some prescribed burns needs to email their class schedule to him.
- Physical Training is on Monday, Wednesday, and Friday mornings with Jordan; please meet at 6am at the M.A.C. (in the Health Enhancement Center) to join him. Evening P.T. is being run by Brent Thiel at 7pm, meeting at the same location. They will send emails with further details.

Secretary: P. J. Koehler

pkoeh539@uwsp.edu

- The Fire Crew mailing list has been updated to include only active/due-paying members. If you haven't been receiving emails, you probably haven't paid your dues. If you have paid and you still are not receiving emails, please contact P. J. so he can get that taken care of. Also, P. J. realizes the irony behind this message since he only sends these minutes to members on the mailing list...weird isn't it?

Cache Manager: Zach Hartshorn

zhart993@uwsp.edu

- The Smartwool pro-deal order set-up will be postponed until next week. This will give people one last chance to get their dues paid. Once the Fire Crew roster is sent to Smartwool, it is final for this semester, and the pro-deal will only be available to those members on an individual basis.
- Gear check-out is going good so far. The next time to check out gear will be in two weeks.
- "I crap." Nobody knows what this was about, so if you are confused by this message, you are not alone.
- A two-thirds vote to approve a \$273 order first aid kits, headlamps, and a foot valve passed.
- Money and orders for supplies through Bendalin will be due on November 1st.

Treasurer: Joshua Haen

jhaen466@uwsp.edu

- T-shirts! Hats! Jerseys! Okay, so no jerseys, but we've got fleeces! Orders and money for these items will be due by next week's meeting.
- Wisconsin DNR wildfire t-shirts starring **Torchie Timberloss** are also available. Because these shirts are surplus from last year, sizes/quantities may be limited. Orders will be filled in the order they are received. Any rejected orders will be fully refunded.

S.A.P. Representative: Michelle Stelzig

mstel808@uwsp.edu

- Rock-n-Bowl will be on October 18 at Point Bowl from 9pm to midnight. Cost is \$6 per person.
- Fire Crew will be hosting at least one intramural broomball team
