Matt Hundt

- There was an opportunity to go to Florida this winter break. All expensed would have to be paid out of student's pocket. If interested contact Matt. We will work on getting this in the budget next year so some costs would be covered.

Zach Hartshorn

- There will be no more burning this year.
- Come to PT Mon/Wed/Fri at 0600 in the MAC in the HEC
- Reviewed fireline qualifications for crew members. All material is available at our website <http://www.uwsp.edu/stuorg/fire/> under the training tab. Talk to Zach with questions about how to open a task book.
- We are trying to be able to red card our members. We are still in the exploratory stage of this endeavor. To do this we would use IQCS and pack test members. **THIS IS OPTIONAL FOR CREW MEMBERS! YOU DO NOT NEED TO HAVE A RED CARD TO PARTICIPATE WITH THE CREW! Members will still need to step test regardless if they have a red card or not to participate with the crew (either with Rx burning or with the DNR).** If we are able to red card members (as our own agency we would be able to work with other organizations with whom we have a mutual aid agreement with to do prescribed burning and suppression if needed. WE WILL BE TALKING ABOUT THIS MORE AT THE MEETING. IF YOU CANNOT MAKE IT TO THE MEETING PLEASE EMAIL ZACH OR MATT OR GO TO THE OFFICE. We want to answer all of your questions

and hear your concerns with this idea. If you have questions or concerns, again we will be speaking about this at our next meeting.
