- 🔥 SIT Report- 4 Rx burns in Minnesota. There are 4 major fires currently in the northwest.
- 🔥 The crew needs people to be certified to drive university vehicles! A relatively easy process, which begins at transportation services. To drive minivans you must be 18, to drive 15 person vans you must be at least 25. Talk to Matt for more information.
- 🔥 Basic refresher for EMT is on Monday (today)
- 🔥 Information about Treehaven- the University will be remodeling treehaven. There will be a new \$40 lab improvement fee to finance this operation. It will be LEED certified. The university is considering incorporating Res. Living into the dorms.

Zach Hartshorn

- 🔥 PT (physical training) is still on Mondays and Wednesdays at 0600 in the MAC in the HEC.
- 🔥 Turn in paper work so you can burn in the future.

Sarah Johnson

- 🔥 Thank you to everyone who helped grade S190 exams!
- 🔥 There is a list of certs (from people with paperwork turned in) I have from people. The list is now in the office if you couldn't make it to the meeting. Email me with any questions.

- 🔥 Remember you will not get gear or burn if you do not have paperwork/certifications/etc in. If you have questions talk to me.
- 🔥 If you turned in a copy of your red card to me that will count for your fitness test but I still need hard copies of your certs!

Todd Pulvermacher

- 🔥 Building burn piles will be rescheduled because of the burn on Saturday.
- 🔥 There will be a crew gear checkout this week, watch your emails.
- 🔥 You will only get gear if you are on my list of current members(paperwork, dues, certs)

Mackenzie Kyle
