Speakers:

We are considering having Marc Adams back to talk about his upcoming book. We are also considering hosting some fundraisers for his organization and still need to think up some ideas. We can look at what other organizations are doing.

News:

The Center For Inquiry is opening their London chapter November 26th.

Public Relations/Promotion Committee:

We need a chair who is responsible for promoting events via SMODs, posters, flyers, Facebook events, etcetera. We will need two to three other individuals to assist.

Advertisement:

We are still working on mailers.

Movie:

We are still working on getting the documentary "Flock of Dodos."

Volunteering/community involvement:

We have recently been e-mailed by Kimberly Beckman in regard to Relay for Life, which won't be held until next semester. We are still trying to determine if enough individuals are interested. We will hopefully have more information by next week. We have also been e-mailed by Ruth, the blood drive coordinator, which is being held November 13th and 14th, from 10:00 AM to 4:00 PM in Pray-Sims Hall. The donations are by appointment or walk-in.

Tentative events:

"Ask An Atheist" table:

We would hopefully have a moderator, perhaps Professor Sage or Warren. If we are interested, we could consider getting the Comparative Religions Club to co-sponsor. We could do a broader event, too, i.e. including multiple religions. The event would be held late this semester or early next semester.
