### Programming: Nick

The programming forms were attached with the registration. If you are interested in putting on a program I highly encourage you to fill out the form. The more diverse programs we are able to offer, the better. Putting on a program at a conference is a great opportunity. It allows you to work on your public speaking skills and is an excellent resume booster. I know that everyone has ideas to make NRHH better across the state.

If you want to put on a program but are running short on ideas, here are a few to think about. Nomination/Induction process, Recognition, NRHH Resources, NRHH on Campus, Motivating Active Members, Role modeling, Volunteer Opportunities, etc. Try to keep topics relevant to NRHH and it's 4 pillars,

If you have any questions about programming, or just want to get to know me better, feel free to email me at [nhyer472@uwsp.edu](mailto:nhyer472@uwsp.edu)
