What's it all about?

The workshop is the first of its kind: created and run by students and for students. If you've ever worked at a camp, you need to attend this workshop.

You'll have the opportunity to:

- share your experiences
- learn from peers
- develop new skills
- network with professionals
- find summer jobs and internships
- make new friends and have FUN!

Choose your track!

Track one is designed for camp counselors or those just getting started in camping. Track two is for those who have lots of experience in the camping field or are interested in pursuing a lifelong career in camping. But, it's all about CHOICES! You can choose to stick with one track or jump tracks to make sure you get the most out of your experience.

Possible Session Options include:

Track 1

- 5-minute fillers
- Teambuilding
- Songs
- Nature program ideas

Track 2

- Healthy sexuality in camp
- Personalities & working styles
- Supervising tips
- Working with schools
- Developing budgets
