CWES CIT Application

Thank you for your interest in the Counselor-In-Training (CIT) program at the Central Wisconsin Environmental Station (CWES)! As a potential CIT, you will spend a week at camp shadowing a counselor. CWES allows 1-2 CITs a week. CITs arrive before our campers (typically on a Sunday, late morning), and typically depart after campers leave (typically early evening on Friday). **There is no cost or pay for the CWES CIT program if accepted!** CITs receive experience, food and lodging during their time spent at CWES. If accepted into the program, you will receive a CIT Welcome Packet with additional information.

Benefits of the CWES CIT Program:

- Gain knowledge and experience on how to become a future CWES counselor
- View all of the behind-the-scenes activities that it takes to run a successful camp
- Learn how to work with youth: teaching games, co-leading activities, and having fun!

What camp experiences have you had in the past?
