

Congratulations May 2020 Graduates!

You're graduating - now let us know the next step on your career path.

Please complete the **First Destination Survey** located on **Handshake**.

Your Career Preparation Checklist

As you take the final steps toward reaching your first destination after graduation, it's important to review this list to make sure that you are ready for the next steps in your career journey:

- Resume has been reviewed, and feedback received
- Researched career opportunities through multiple platforms
- Conducted practice interviews virtually or over the phone
- Practiced answering questions about your experiences, skills, and strengths
- Created or updated your LinkedIn profile so it's professional and ready to showcase your skills and build your network
- Asked faculty and staff to serve as professional references
- Secured a full-time position, internship, or acceptance to a graduate program

If you were not able to check all of these items, contact our office at 715-346-3226 for an appointment with your Career Specialist!
