**CHOCOLATE CHIP**
Sweet, brown-sugar based dough blended with so many chocolate chips, you'd think we robbed Willy Wonka's Chocolate Factory. There is nothing quite better than this café classic.

**PEANUT BUTTER**
This gluten free option is a Cafe favorite! Creamy peanut butter, perfectly sweetened and made into dough that's ready to bake. We're nuts about these cookies.

**CHOCOLATE WALNUT ESPRESSO**
Locally roasted espresso beans are ground in house and blended with sweet butter, cocoa and walnuts. Simply brewtiful!

**DOUBLE GINGER**
Ground and crystallized ginger come together with molasses to flavor this delicious cookie. Coat your dough with sugar before baking to mimic the café’s cookies!

**LEMON POPPYSEED**
The name says it all! This Café classic combines sweet butter and sugar with lemon zest and poppy seeds. When life gives us lemons, we make cookie dough.

**WI OLD FASHIONED**
Bitters, Brandy, dried cherries, and orange zest come together to mock Wisconsin's favorite cocktail! This CPS Café original recipe was created for the adventurous cookie consumers.
