### Transfer Guide: Sample Program of Study for the UWSP Family & Consumer Sciences Major
--- Teach Education Option

**UW-Colleges Course Equivalencies**

Due to the sequencing of education courses and application to School of Education, transfer students can expect to attend UWSP for a minimum of 5-6 semesters.

To be admitted to the Family & Consumer Sciences major, incoming students must have a 2.5 GPA including all transfer credits. Students must achieve a 2.75 cumulative GPA to graduate with this major.

{F} or {S} indicates that the class is offered fall only or spring only.

### General Education Program

To determine appropriate courses to fulfill UWSP General Education Program (GEP) requirements, use the Transfer Information System (http://tis.uwsa.edu/wizards) or the General Education Program Transfer Guide (http://www.uwsp.edu/admissions/Pages/Applying/transferGuides.aspx).

General Education Program (GEP) category abbreviations:

- **FYS** = First Year Seminar  
- **ER** = Environmental Responsibility  
- **WC** = Written Communication  
- **ART** = Arts  
- **OC** = Oral Communication  
- **HU** = Humanity  
- **QL** = Quantitative Literacy  
- **HP** = Historical Perspective  
- **WLN** = Wellness  
- **SS** = Social Science  
- **GA** = Global Awareness  
- **NS** = Natural Science  
- **USD** = US Diversity

Transfer students pursuing the Family & Consumer Sciences major will not be required to take a First Year Seminar course if transferring with two semesters of college experience.

Additional electives will be required to reach the 120 credits required to earn a Bachelor’s degree.
