**Transfer Guide: Sample Program of Study for the UWSP Dietetics Major**

**UW-La Crosse Course Equivalencies**

Due to prerequisites and sequencing of chemistry and food & nutrition courses, transfer students can expect to attend UWSP for at least 6 semesters.

To be admitted to the Dietetics program, students must achieve a 2.75 cumulative GPA. This must be maintained in order to remain in the major. A GPA of 3.3 is desirable in order to be competitive for the post-graduation Dietetics internship and subsequent Registered Dietitians exam and certification.

**General Education Program**

To determine appropriate courses to fulfill UWSP General Education Program (GEP) requirements, use the Transfer Information System (http://tis.uwsa.edu/wizards) or the General Education Program Transfer Guide (http://www.uwsp.edu/admissions/Pages/Applying/transferGuides.aspx).

General Education Program (GEP) category abbreviations:
- **FYS** = First Year Seminar
- **WC** = Written Communication
- **OC** = Oral Communication
- **QL** = Quantitative Literacy
- **WLN** = Wellness
- **GA** = Global Awareness
- **USD** = US Diversity
- **ART** = Arts
- **HU** = Humanity
- **HP** = Historical Perspective
- **SS** = Social Science
- **NS** = Natural Science
- **ER** = Environmental Responsibility

Transfer students pursuing the Dietetics major will not be required to take a First Year Seminar course if transferring with two semesters of college experience.
