Transfer Guide: Sample Program of Study for the UWSP Dietetics Major

UW-Parkside Course Equivalencies

Due to prerequisites and sequencing of chemistry and food & nutrition courses, transfer students can expect to attend UWSP for at least 6 semesters.

To be admitted to the Dietetics program, students must achieve a 2.75 cumulative GPA. This must be maintained in order to remain in the major. A GPA of 3.3 is desirable in order to be competitive for the post-graduation Dietetics internship and subsequent Registered Dietitians exam and certification.

General Education Program
To determine appropriate courses to fulfill UWSP General Education Program (GEP) requirements, use the Transfer Information System (http://tis.uwsp.edu/wizards) or the General Education Program Transfer Guide (http://www.uwsp.edu/admissions/Pages/Applying/transferGuides.aspx).

General Education Program (GEP) category abbreviations:
- FYS = First Year Seminar
- ER = Environmental Responsibility
- WC = Written Communication
- OC = Oral Communication
- HU = Humanity
- QL = Quantitative Literacy
- HP = Historical Perspective
- SS = Social Science
- NS = Natural Science
- WLN = Wellness
- GA = Global Awareness
- USD = Undergraduate Diversity

Transfer students pursuing the Dietetics major will not be required to take a First Year Seminar course if transferring with two semesters of college experience.
