Due to prerequisites and sequencing of chemistry and food & nutrition courses, transfer students can expect to attend UWSP for at least 6 semesters.

To be admitted to the Dietetics program, students must achieve a 2.75 cumulative GPA. This must be maintained in order to remain in the major. A GPA of 3.3 is desirable in order to be competitive for the post-graduation Dietetics internship and subsequent Registered Dietitians exam and certification.

General Education Program
