### Transfer Guide: Sample Program of Study for the UWSP Dietetics Major

**UW-River Falls Course Equivalencies**

Due to prerequisites and sequencing of chemistry and food & nutrition courses, transfer students can expect to attend UWSP for at least 6 semesters.

To be admitted to the Dietetics program, students must achieve a 2.75 cumulative GPA. This must be maintained in order to remain in the major. A GPA of 3.3 is desirable in order to be competitive for the post-graduation Dietetics internship and subsequent Registered Dietitians exam and certification.

**General Education Program**

To determine appropriate courses to fulfill UWSP General Education Program (GEP) requirements, use the Transfer Information System (http://tis.uwsa.edu/wizards) or the General Education Program Transfer Guide (http://www.uwsp.edu/admissions/Pages/Applying/transferGuides.aspx).

General Education Program (GEP) category abbreviations:

- **FYS** = First Year Seminar  
- **WC** = Written Communication  
- **OC** = Oral Communication  
- **QL** = Quantitative Literacy  
- **WLN** = Wellness  
- **GA** = Global Awareness  
- **USD** = US Diversity  
- **ER** = Environmental Responsibility  
- **ART** = Arts  
- **HU** = Humanity  
- **HP** = Historical Perspective  
- **SS** = Social Science  
- **NS** = Natural Science

Transfer students pursuing the Dietetics major will not be required to take a First Year Seminar course if transferring with two semesters of college experience.
