	• German					AR										
	• Spanish															
Interdisciplinary Programs	• American Studies															
	• Individually Planned Major															
	• International Studies	DR + AR					AR				DR + AR					
	• Natural Science															

"AR" indicates an Assessment Report. "DR" indicates a Department Review Self-Study. Both are due on the third Thursday of October in the year listed. The Department Review Self-Study will be submitted to the Assessment Subcommittee in addition to the Department Review Subcommittee. Assessment of the major is required; whereas, assessment of the minor is optional, but highly encouraged. Evaluation protocols are established by the approved Department Assessment Plan. Departments seeking an extension for either the DR or AR should contact the chair of the Department Review Subcommittee and/or the chair of the Assessment Subcommittee (respectively). Last revised: May 2014
