Signature _______________________________________________ Date _________________

All faculty and academic staff at UW-Stevens Point must disclose certain outside activities, as outlined in UWS 8.025 and the
guidelines approved by the Board of Regents in Regent Policy Document 20-7. In addition, those who plan to participate in, or are
participating in, Public Health Service (PHS)-funded research must fully disclose potential financial conflicts of interest and
successfully complete financial conflict of interest training. This form includes all of the disclosures for both of these requirements.

This form must be submitted to your department chair or unit director no later than at the time of application for PHS funding, within
