Arts Management Major (B.A.)
Transfer Plan from UW Colleges to UW-Stevens Point

If you plan to spend ONE semester at any of the UW Colleges before transferring, you should try to complete the following courses during that semester:

- ENG 101 – College Writing and Critical Reading (ENGL 101)
  Students whose writing skills need some polish prior to enrolling in a 4-year institution should take ENG 097 or 098. Either of these courses should help prepare you to take the Written Communication sequence (ENGL 101 and ENGL 202) at UW-Stevens Point.
- CTA 103 – Introduction to Public Speaking (COMM 101)
- LEC 100 – First Year Seminar
  This course will fulfill our GEP: FYS requirement.

If you plan to spend TWO semesters at any of the UW Colleges before transferring, you should complete the two courses listed above, plus the following courses:

- BUS 201 – Introductory Accounting (ACCT 210)
  This course is available to first-semester freshmen with instructor’s consent. ACCT 210 is required for Arts Management majors.
- CHI 101, FRE 101, GER 101, or SPA 101 (or 102 with appropriate world language placement score)
  The Arts Management major requires you to complete or test out of one year of a world language.

If you plan to earn an Associate of Arts & Science degree at any of the UW Colleges before transferring, your GEP (General Education Program) requirements will be complete when you start at UW-Stevens Point. If you want to maximize the credits that will count toward your major, you could include some of the following in your AAS coursework:
