

A Beyond BOW weekend of sea kayaking and island exploration. This workshop is being offered in partnership with the Door County Adventure Center.

Suitable for those who have some experience or formal instruction. Our participants range in age from 18-80+. All ages and fitness levels are welcome. All equipment, lodging (hotel and camping) and meals included in the registration fee.

Trip Description

Isle Royale National Park preserves 132,018 acres of federally designated wilderness. According to the National Park Service, around 11,000 years ago, two miles of ice pressed down on Isle Royale, sculpting its topography. This same ice sheet formed Lake Superior and hundreds of inland lakes, ponds and bogs. Isle Royale is a fascinating ecosystem to explore.

Long-time BOW instructor, professional kayaker, guide and outfitter Tim Pflieger, along with a cadre of talented instructors, will provide a guided/outfitted experience kayaking and camping throughout this adventure. We'll explore coastal and inland habitats as well as some of the cultural features of the island including lighthouses, maritime exhibits, and the Windigo Visitor Center.

Our program begins at Noon on Friday, July 20 with a meet/greet and gear/kayak fit at the Bella Vista Hotel in Copper Harbor, Michigan followed by dinner.

The adventure begins the next morning when we catch the ferry, with our kayaks and gear, to Rock Harbor on the east end of Isle Royale.

Each night we'll camp at a new site. Each day we will paddle approximately 10 miles to our next location, set up camp, then explore a new part of the island.

This BOW Adventure is for paddlers who have some experience or formal instruction, or have participated in a Beyond BOW kayaking workshop or trip. (Registrants will be asked to document their paddling experience prior to the trip.)

This trip includes ACA certified instructors, coastal sea kayaks, paddle gear, tents, trail meals, lodging and dinner at the Bella Vista, and a paddle adventure of a lifetime.

Registration fee: \$1,399. Includes instruction, guide fees, outfitted gear including kayaks and tents, permits and camping fees, Dinner and lodging on Friday July 20th, meals Saturday July 21th through Thursday July 25th breakfast.

FAQs about the park:
<http://www.nps.gov/isro/faqs.htm>

The Ecological Study of wolves on Isle Royale is the longest running large mammal predator-prey study on earth.

Becoming an Outdoors-Woman is a non-profit program offered in partnership with:

University of Wisconsin
Stevens Point

BOW programs are designed for women 18 and older. Workshops are held in a safe and supportive atmosphere.

Workshop registration fee: \$1,399. Includes 5 nights camping, one night hotel lodging, 17 meals, guide services, paddling instruction, all gear and equipment (sleeping bags are not provided).

To register: A \$400 non-refundable deposit is due to hold your reservation; the remaining balance may be paid in installments and is due July 6, 2018. Mail the registration form with VISA, MC or Discover number, or check /money order payable to UWSP. Participants will be registered on a first-come, first-served basis. Email confirmation will be sent within 48 hours of receipt. We will maintain a waiting list to use if cancellations arise.

Cancellation policy: A \$400 processing fee will be assessed to all cancelled registrations. Registrants who do not cancel by Friday, June 22, 2018, will be assessed the full program fee. You may send a substitute.

Lodging: Included in your registration fee. Participants will stay one night at the Bella Vista in Copper Harbor (www.bellavistamotel.com) and spend 5 nights camping throughout the park. A packing list and map to Copper Harbor will be sent with your confirmation.

Special needs and physical exertion levels: If you have any special needs, including dietary needs, please contact Peggy at 715/346-4681. We will do our best to accommodate your needs. This workshop includes activities that require a moderate amount of physical exertion and some basic paddling skills. If you have any questions or concerns about the level of fitness recommended in order to participate, please contact us.

Participants understand that: 1) photographs may be taken during sessions and may be used in future support of the program, and 2) in the event of an unavoidable cancellation, evening programs and instructors may change. BOW will provide excellent alternatives if this situation arises.

Additional workshop notes: This event will be held regardless of weather conditions. However, the activity schedule will be flexible in order to adjust to weather. Participants will receive information with their confirmation letter on what to bring and how to dress for comfort.
