The University of Wisconsin-Stevens Point proudly hosts the Midwestern Foresters’ Conclave on April 13-15, 2012. The event, now in its 60th year, brings together all of the forestry schools in the Midwest to compete in a traditional timber sports event.

Forestry tradition will take center stage as saws will be whipping and axes will be swinging. The Conclave provides networking opportunities for many aspiring professionals in the forestry and wood products industry.
