Pankowski Friends Amphitheater Groundbreaking Ceremony

Friday, September 7th at 11:30 a.m.

Schmeeckle Reserve Visitor Center
2419 North Point Drive, Stevens Point

Join the Friends of Schmeeckle Reserve in celebrating the groundbreaking of our first capital improvement project. Funded entirely by donations, this unique outdoor gathering space is designed with sandstone seating for 200 and a timber-frame stage with a soaring roof. It is being built near the Schmeeckle Visitor Center, part of the UW-Stevens Point campus.

An on-site ceremony will begin at 11:30 a.m. followed by light refreshments. Over 80 donors have made this project a reality. Donations are still being accepted. For more information, visit www.uwsp.edu/schmeeckle and click on "Current Projects."
