CNR Summer Internship Spotlight - Let us know what you did!

Tell us about your awesome summer internship! We would be delighted to feature your journey on our CNR social media platforms. Please check with your supervisor to ensure it's permissible to share your experience. **If you're interested in being featured, and your supervisor has approved, click [HERE](#) to answer a few questions and share a photo.** Your contribution will inspire others. Please note that by submitting the form, you grant us permission to publish your internship experience on our social media platforms, website, and promotional materials. If you have any questions or need assistance, contact Stacey Allen-Bannach, sallenba@uwsp.edu, TNR 100. Please submit your information by **September 22nd**.

Join the UWSP Fire Crew!

Are you interested in fire? Do you want the opportunity for training and hands-on experience in prescribed burning and wildland firefighting? Are you interested in fire ecology research and fire effects monitoring? Do want to learn more about job opportunities within a fire-related career? Join the UWSP Fire Crew every Thursday at 6 p.m. in TNR 170 for our weekly meetings. OR stop by our office in TNR 361A and talk to an officer. We look forward to getting to know you!

ATTENTION UWSP STUDENTS!

As you all know, hunting is an important management tool that both state and federal managers implement to ensure healthy wildlife populations. Hunting also provides an opportunity to harvest wild meat to eat and an excuse to get outside!

If you currently do not hunt waterfowl, and would like the opportunity to learn and take part in a safe and mentored waterfowl hunt then you are invited to join Delta Waterfowl's North American University Hunting Program **October 7 & 8, 2023**.

As part of this program, you will:

1. Complete the required hunter education course (if not already completed).
2. Participate in a shooting skills instruction day at a local shooting range.
3. Participate in a safe and responsible mentored waterfowl hunt.

Interested students should contact (ASAP):

Ben Sedinger

ben.sedinger@uwsp.edu or stop by TNR342

Are You Eligible to be Formally Admitted to the CNR?

If you are advised by Katie or Bobbi in the CNR SSC, have 40 or more credits earned, have a 2.25 major GPA, and have completed at least 1 semester at UWSP, then it's time to Apply to the CNR for Formal Admittance and move to a faculty adviser!

Due September 22nd:

Housing and Residence Life
University of Wisconsin - Stevens Point

UW-Stevens Point requires on-campus living for students within two years of high school and automatically charges for housing and dining plans if you don't qualify for off-campus living.

For the full policy and additional information, visit:

Click the photo above to see the full residency requirement policy. Make sure not to sign any off-campus leases if you are not eligible. Most FYS need to live on campus for 2 year.

BACKCOUNTRY BOWSHOOT

Fri, September 22nd, 3pm to dusk
