### What are CNR SSC Walk-Ins?

Welcome back!

Not sure what walk-ins are? During the times listed in **blue** to the left, feel free to drop into the Student Success Center (TNR 122) without an appointment to talk to a professional advisor! These are a great time to stop in if you have a simple question that will only take a few minutes, or if you are needing to talk to an advisor with short notice! Be sure to check back weekly as Walk-Ins do change periodically.

### Textbook Walk-over - CNR SSC Event!

Are you still unsure about the process of picking up books, or simply don't want to go alone? The CNR SSC Peer Mentors will be hosting 2 textbook walk-overs during the first week of school!

**Thursday, January 26th @ Noon**

Meet us in TNR 122!  
We will start walking at 12:15!

# It's time to think about SFE/Treehaven!

## Wader Try-On Information

Planning to go to Treehaven? Included in your equipment pack is a pair of chest waders that you will receive upon your check-in at your assigned SFE session. The size you indicate on your SFE application will be the size you receive. You will be **REQUIRED** to come to a time listed below to verify the size you indicated on your application is the size that correctly fits. We will have men's sizes 6-14 as well as women's sizes 6-7 for you to try on. If you need a smaller/larger size, we will do our best to accommodate you. More try on dates will be added, if you are unable to make one of the following times, please let Tim Sattler (715-346-4664; CNR.Stockroom@uwsp.edu) know. If you choose not to come, you will receive the waders indicated by your shoe size on your SFE application. The waders you try on might not be the exact make/model you receive.

**When trying on the waders for SFE, please try them on as you would be putting them on to go into the water. Do not just try on the boots. Waders are not made size specific for individuals.**

The following try on times will be held in TNR (Trainer Natural Resources) Room 157.

- Friday February 3<sup>rd</sup> 10 AM – Noon
- Tuesday February 7<sup>th</sup> 3-5 PM
- Thursday February 9<sup>th</sup> 2-4 PM
