

Title of Piece (date of completion)  (and movements if applicable):	<i>Backtalk!</i> A comedy for Narrator and “prepared” wind instrument (1997)
Instrumentation:	Any wind instrument and (off-stage) narrator
Duration:	10 minutes
Commissioned by:	<a href="#">J. Eric Wilson</a>
Premiered:	April 1, 1997  Abilene Christian University  Abilene, Texas
Other:	This piece requires acting by the wind player. There are no printed musical excerpts in this piece. The wind player plays excerpts of their own choosing at designated places throughout the script.
Program Notes: (do not print in concert programs)	If one's wind instrument could talk, this might be the ensuing dialogue between the performer and the instrument. This work is well-suited for opening or closing a concert.
Professional Recordings:	None
Reviews:	None
Publisher:	Currently under publication review
