We are very proud of the long-established, excellent programs in the College of Fine Arts and Communication and hope that you will consider helping us maintain our presence in the community and uphold our reputation as a destination for students to study within a world-class arts program.

The School of Performing Arts is home to alumni who:

- ...have won Oscars and Emmys,
- ...tour with Grammy award winning artists,
- ...work as top innovators and executives in their field,
- ...create and star in movies and TV series,
- ...are national award-winning teachers and instructors,
- ...and are shaping the creative world.
