International Aquaponics Conference
“Aquaponics and Global Food Security”
BIOL 498/698 Sec. 882
Summer 2013

Attendees of the 3-day conference to be held June 19-21, 2013 at UWSP have the option of taking a one-credit (graduate or undergraduate) add-on option in conjunction with this conference. The requirements for this one credit course is to attend the conference in full and write a 3-6 page review of three sessions presented at the conference. The review needs to include the following information:

1. Your name and contact information: phone number or e-mail address where you can be reached.
2. Title of the conference and sessions you reviewed.
3. SUMMARY: This should be a comprehensive summary of the three sessions you attended. In this summary please provide specific information covered.
4. PROFESSIONAL RELEVANCE: In this review you need to connect the information you learned at this conference to specific aspects of your professional work. How will you apply the knowledge you gained from these sessions?
5. PERSONAL REACTION: Discuss your personal reaction to the information provided in the conference/sessions. Was the presentation style effective, etc.? When appropriate, you may wish to apply the information given at the conference to personal experience.

The reviews of the three sessions are due on July 19, 2013. Send the reviews via mail or e-mail: Dr. Chris Hartleb, Professor of Biology, Department of Biology, 800 Reserve Street, University of Wisconsin-Stevens Point, Stevens Point, WI 54481. chartleb@uwsp.edu (715) 346-3228.
