- UW-Stevens Point Continuing Education does not provide travel insurance, medical, or emergency evacuation and thus you are 100% responsible for these expenses. We advise you purchase travel insurance as soon as possible after registering for a trip because some insurance providers only guarantee certain benefits within a short time after you make a travel deposit. We also advise carrying health insurance while on any tour as well.
- Travelers may want to consider short-term traveler's insurance that covers baggage, accident/life, trip interruption, trip cancellation, and more. Visit [Travel Insurance Review](#) to answer any of your travel insurance questions, get tips and advice, or compare different providers.
