## Ducktail Lures

The (ETP) class taught me a lot about managing our business. It made me look at every detail of our business and how we can make better decisions. The training was invaluable for me.

## Blueberry Patch

The ETP provided me with an overall better understanding of the many types of businesses, models and concepts. This program assisted and allowed me to develop skills to be better prepared as a business owner.

## Diane's Frame Shoppe

This (ETP) was an excellent program, and I would encourage any and all business owners to sign up. Guest speakers were very informative. Great class!

## Peaceful Pines Memorials & Family Sanctuary, Inc.

The tools that are offered to assist and the guidance from wonderful counselors have helped make our business much more efficient and profitable.

## Brown Street Books

All small businesses need to take advantage of their (UWSP SBDC'S) resources and expertise. Counselors are there when you need them as Vicki Lobermeier was for me!

## Incite Marketing Group

## Adrenalign Marketing

We cannot express how valuable the SBDC has been for us. Many thanks to Mary Wescott and staff. Their expertise and guidance helped us in successfully launching our new business. After just 13 months in business we are not only meeting our goals, we are far exceeding them.

## Carpetiers

## Antigo Veterinary Clinic

I would highly recommend this course to anyone needing instruction and direction on how to grow a business idea and learn the skills necessary to become a business owner...and how to obtain financing for a new business.

## Wisconsin Baseball Academy

The SBDC was what really catapulted me into the business world. I had always had aspirations of starting my own indoor baseball and softball academy, but it wasn't until I took the Entrepreneurial Training Program, that I really understood the path necessary to making my dream become a reality.

## Coach House Kennels

The business plan did it! The banker was totally impressed. The SBDC helped with great market research.

## Trick Air LLC

I have been a business owner for 30 years and now have a much better understanding of my financial situation. I wish I would have taken this class 30 years ago!

## New Roots Coffee Roaster

The (ETP) course was timely and applicable. Being in a classroom full of people with great ideas and desire to take risks was stimulating and exciting!

## All American Carpet & Upholstery Cleaning, Inc.

The class was incredibly thorough and covered many crucial areas of small business management. The SBDC is wonderful to work with and is always willing to help in any way they can.

## Brody Designs

My training from the SBDC was vital in the start-up of Brody Designs. Without the extremely educated, professional and helpful staff of the Entrepreneurial Training Program, my business would not have succeeded.

## Seventh Heaven Salon

Mary Wescott led me through the complete process of a complete business plan including the cash flow projections, market research, location assessment, free legal advice from a lawyer in town and financing through WHEDA.

## O'Brien Automotive

The (ETP) class was very helpful in the process of purchasing my new business.

## Betsy's Tasting Room

## Express Recycling Solutions Inc.

The Entrepreneurial Training Program was able to provide an overall program to assist with and prepare me to be a business!

Adams, Langlade, Lincoln, Marathon, Portage, Oneida, Vilas, Waupaca and Wood Counties
