Implement a better marketing plan and process for discounts on purchases in reusable cups in all DSC retail locations.
CBORD GOALS BY LOCATION

LOWER DEBOT
Continue to work on streamlining inventory utilizing the scanning guns.
Work with Karen to review and revise recipes for accuracy.
Revise the weekly special structure to be more consistent and easier to implement.

CATERING
Continue to work with staff to assist in any way in creating a static menu with all information included in EventMaster program.
Continue to work on linking EventMaster and FSS so at some point recipes and financial information can be shared.

DUC FOOD COURT
Confirm ingredients in recipes are correct and instructions are followed.
Work to implement FSS order scheduler to incorporate ordering process into the Food Service System.
Produce a process where the goal is to utilize the advance prep application in the kitchen.

UPPER DEBOT
Continue to have CBORD team organize and present several Focus on Food events.
Prepare guide explaining FSS utilities used in Upper DeBot area by Residential Manager.
Assist in any areas where needed to assure operation of Upper DeBot runs smoothly during Manager transitioning.
Continue to communicate with Executive Chef keeping up with recipe changes so nutrition labels and recipes are current and correct.

CBORD
Continue to meet regularly with CBORD employees creating and realizing individual department goals.
Communicating with all locations for representatives to share any concerns or successes.

ORIENTATION
Create training Power Point for the Micros registers for student managers and employee cashiers.
Assist in creating any written materials needed for registers or FSS report procedures.

FOOD FOR THOUGHT CAFÉ & HOMEGROWN CAFÉ
Continue to concentrate on these areas working towards the goal of being able to retrieve accurate reports from the FSS system concerning inventory and product costs.
Continue to update service menus and NetNutrition for the online application of these areas to be accurately available.
