Individual appointments

You will receive an appointment schedule. During this time you will be meeting with staff and taking care of any business or issues from the day before, and having some free time. This may include:
- Meeting with Assistive Technology (AT)
- AT Demonstrations
- DS Accommodations Planning
- Talking with Financial Aid
- Visits with other offices (i.e. TLC)
- Individual meeting with University Health Services
- Individual meeting with Counseling Services
- Lunch – (on your own)

This program is to provide pertinent information about services, procedures and policies for students and to make the transition to UWSP smoother.

We hope to reduce student anxiety, frustration and anticipation through preparation and to create a framework of service operations.

We want to reach both the incoming freshmen and transfer students new to Stevens Point.

**7:00 PM – End of combined program.**
After participating in the Leading Edge Transition Program, students are halfway to earning 1 credit. Students can finish an academic credit by registering for EDUC 107: College Success Skills.

This course meets four sessions in October (midterm) to check-in with students, reinforce or teach skills such as note taking and reading college textbooks, which will help students organize and prepare for final exams.
