UWSP Campus COVID-19 Contractor Building Access Protocol

ALL DFDM and UW System Construction Projects

1. All General Contractors are to provide their company COVID-19 Plan to DFDM, UW System, UWSP Contacts and all their Subcontractors.

2. All Subcontractors must schedule their work through their General Contractors.

3. The General Contractors will coordinate all their scheduled work with UWSP contact John Harper via email at jharper2@uwsp.edu

4. John Harper will inform the building occupants of the contractors schedule.

5. It is the General Contractor’s responsibility to meet their Subcontractors outside the building at their scheduled time.

6. The Subcontractors must follow the General Contractor’s COVID-19 Plan BEFORE entering the building, working inside the building, and before exiting the building.

The Contractor Building Access Protocol may change at any time.

All the contractors/vendors/suppliers visiting campus should be aware of the importance of the campus shutdown is to slow down and reduce exposure of the coronavirus (COVID-19).

No one should be on campus if they are sick.

While on campus, please follow the latest CDC recommended guidelines, such as:

- Wear mask protection
- Cover your mouth in your elbow when coughing or sneezing
- Wash hands thoroughly with soap and often
- Use hand sanitizer if water and soap is not available
- Keep your hands away from your face
- Keep a minimum of 6’ social distance between people
- No more than 10 people in an area
